

# MIKIMOTO

## Advanced Mask

produced by  
MIKIMOTO COSMETICS

### Seven-day intensive care for skin with a more radiant glow

Special features:

- Our unique formula, whose composition includes black pearl conchiolin<sup>®</sup>\*1, stimulates both clear radiance and bouncy elasticity.
- Use of our soft adhesive sheet masks, which have been infused with 17ml of serum, will ensure that moisture reaches every area\*2 of your face. In addition, a seven-day concentrated care regimen adds moisture, brightness and elasticity, leading toward less visible pores.
- Our adhesive sheet masks are crafted from 100% cotton linter, which is the fuzzy coating around the cotton seed, and whose exclusive use ensures the softness of the sheets.
- The mystical fragrance of Mikimoto Eau de Parfum and the softness of the face mask sheets will impart luxuriousness to your skin, as well as a sense of fulfillment within your heart.

\*1 Amino acids and peptides extracted from the nacreous layer of black-lipped pearl oysters, Hydrolyzed Conchiolin Protei (Moisturizer)

\*2 Until the cornified skin layer

Instructions for usage:

- Mask should be used after you have applied lotion.
- Remove the mask from its package, unfold it, and place it upon your face. Since drops of the essence may fall from the mask at this time, please take care that it does not touch your clothing, etc.
- Leave the mask on your face for five to ten minutes. After removing it, work its essence in to your skin by gently patting or massaging your face.
- For the most effective results, use for seven days in a row.
- In order to ensure hygienic use of the mask, it should be applied immediately after removing from its packaging.
- The mask should not be re-used, and should be discarded after use.

Instructions for unfolding mask

Please gently open the mask  
in the following order:

- ① Top/bottom
- ② Left side
- ③ Right side
